Subject: Bureau of Land Management Ruling Notice of Intention to Commence Small Mining Operations, The Bug House, Treasure Chest Mine, S/023/0028, Juab County, Utah

Dear Mr. Henry and Ms. Crapo:

The Division of Oil, Gas and Mining has been informed by electronic mail that the Bureau of Land Management's decision to withdraw the claim on which the Treasure Chest Mine is located has been upheld. Because of the ruling, the Division suspends its approval to mine on the property, but reclamation may be done if authorized by the BLM.

Currently the Division is holding a reclamation surety in the amount of \$12,370.58 in the form of a certificate of deposit with Wells Fargo Bank. Please contact the BLM to determine what additional reclamation is needed at the site. The surety will be released when the site has been adequately reclaimed.

Please contact Wayne Western at 801-538-5263 if you have any questions concerning these issues.

Sincerely,

Paul Baker
Minerals Program Manager
